

## Create Art frames with pressed flowers!

### **Materials**

Pressed flowers and leaves  
Frame  
White (or any other color) cardboard  
Scissors  
Craft glue  
Small brush  
Pencil

### **Instructions**

1. Take out the back of the frame and use it to measure your cardboard.

2. Cut the cardboard.

3. Using a small brush apply some glue on the back of the petals, leaves and stems.

4. Carefully position them and press them into place. Allow them to dry at least an hour.

5. Place the cardboard on the frame.

**TIP!** This craft activity is a great gift idea for your friends and family. If you don't want to frame your cardboard, you can use it as a greeting card.
